

Grant Title: HealthForce MN SCRUBS Rochester Camp

Grant Number: MRM 2015 312ED 005

Requester: Misun Bormann

Project Timeline: May 1, 2015 - April 30, 2016

Brief description of project:

469 Middle and high school students attended Scrubs Camp for summer 2015.

Where did this project take place?

NINE TOTAL CAMPS

3 MIDDLE SCHOOL LOCATIONS:

- Rochester (61 students)
- Dakota County (35 students)
- Winona (29 students)

Total Actual Attendees = 125

No shows = 16 (3 full pay and 13 scholarships)

6 HIGH SCHOOL LOCATIONS:

- Fergus Falls (31 students)
- Mankato (57 students)
- Bemidji (23 students)
- Winona (100 students)
- Minneapolis/Urban (76 students)
- St. Paul (57 students)

Total Actual Attendees = 344

No shows = 28 (all scholarships)

Total Camp Capacity = 520

Total Camp Actual Attendees = 469 (d/n count "no shows")

90% of Camp Capacity

Denotes new camps for summer 2015.

People impacted by project and where they are from:

Funding from this grant was used to provide scholarships for the Rochester and Winona Middle School Camps, along with the WSU and Urban High School Camps. Below are the student demographics of those attending these four camps.

ROCHESTER MS CAMP

Student Demographics

Regenerative Medicine MN
Progress Report for HealthForce MN Scrubs Camps

- 67% white/Caucasian
- 18% Asian/Asian American
- 5% black/African American
- 7% Hispanic/Latino/Spanish
- 2% American Indian
- 1% no response

15% of students reported qualifying for free/reduced lunch at school.

3% of students reported no one in their family has ever attended college.

WINONA MS CAMP

Student Demographics

- 43% white/Caucasian
- 9% Asian/Asian American
- 18% black/African American
- 9% Hispanic/Latino/Spanish
- 6% American Indian
- 15% other

41% of students reported qualifying for free/reduced lunch at school.

18% of students reported no one in their family has ever attended college.

WSU – WINONA STATE UNIVERSITY CAMP HS CAMP

Student Demographics

- 68% white/Caucasian
- 10% Asian/Asian American
- 11% black/African American
- 8% Hispanic/Latino/Spanish
- 2% American Indian
- 1% other

22% of students reported qualifying for free/reduced lunch at school.

10% of students reported they would be the first in their family to attend college.

URBAN HS CAMP

Student Demographics

- 32% white/Caucasian

Regenerative Medicine MN
Progress Report for HealthForce MN Scrubs Camps

- 26% Asian/Asian American
- 29% black/African American
- 10% Hispanic/Latino/Spanish
- 3% American Indian

52% of students reported qualifying for free/reduced lunch at school.

26% of students reported they would be the first in their family to attend college.

What was the outcome of the project?

ROCHESTER MS CAMP

75% of students reported camp helped them focus on their future careers goals (e.g. the importance of doing well in school and going to college).

68% of students reported camp made them think more seriously about going to college.

75% of students reported after the camp experience they are more interested in pursuing a career in healthcare.

90% of students reported they were happy with their overall experience at camp.

Student Quotes:

- “Thanks, I really love this camp and you guys are very nice. Thanks again!”
- “Camp was awesome and I am hoping to do it again.”

WINONA MS CAMP

75% of students reported camp helped them focus on their future careers goals (e.g. the importance of doing well in school and going to college).

75% of students reported camp made them think more seriously about going to college.

82% of students reported after the camp experience they are more interested in pursuing a career in healthcare.

100% of students reported they were happy with their overall experience at camp

Student Quotes:

- “This is a great camp and I loved how it allowed me to expand my knowledge of the medical field.”
- This camp was overall my favorite camp!”

WSU HS CAMP

99% of students reported session activities helped them learn.

93% of students reported the camp helped them focus on their future career goals.

90% of students reported spending time on a college campus helped them better understand and visualize themselves at college.

85% of students reported camp made them think more seriously about going to college.

90% of students reported camp helped them see themselves working in the healthcare industry compared to before camp 87% had plans to pursue careers in healthcare.

99% of students reported they were happy with their overall camp experience.

Student Quotes:

- “It showed me I have the desire to work in the medical field.”
- “Scrubs Camp has stressed the importance of looking forward to your future.”
- “I learned a lot of new and cool information, and got to experience extraordinary things. The biggest impact of Scrubs Camp had on my life was making new friends that I will be in contact with for a long time.”
- “This has been one of the best weeks of my life and I will be coming back for sure!”

URBAN HS CAMP

97% of students reported session activities helped them learn.

97% of students reported the camp helped them focus on their future career goals.

78% of students reported spending time on a college campus helped them better understand and visualize themselves at college.

83% of students reported camp made them think more seriously about going to college.

96% of students reported camp helped them see themselves working in the healthcare industry compared to before camp 94% had plans to pursue careers in healthcare.

100% of students reported they were happy with their overall camp experience.

Student Quotes:

- “Without the scholarship donor I wouldn’t have gained so much knowledge of the medical field. It changed by life for the better, and I’m glad I came here!”
- “I have a clearer scope of my future career and college/education path.”
- “I now know a medical career is what I want to go into.”
- “It made a HUGE impact. I now know what pathways I want to take in the health-science sector.”
- “I’m very grateful for this opportunity and more confident.”

Please list any of the following that have resulted from your Regenerative Medicine MN grant funding:

Thanks to such a successful summer (which included adding four new camps), HealthForce MN continues to expand for summer 2016 and anticipate seeing 16 total Scrubs Camps in Minnesota. In addition, we will be working collaboratively with other Centers of Excellence to pilot a camp using the Scrubs Camp model called Camp Explore (which is a weeklong camp for high school students to explore careers in not just healthcare but also in engineering, manufacturing, IT, and agriculture.)

Finally, below is a list of our top 15 funders who helped ensure we could expand our camps and having the funding needed to hit our goal of seeing 50% of our students attend camp on scholarship.

SCHOLARSHIPS AWARDED

MIDDLE SCHOOL

- Rochester = 12
- Dakota County = 13*
- Winona = 16
- No Shows = 13

Totals = 54 (41 actual)

HIGH SCHOOL

- Fergus Falls = 26
- Mankato = 21
- Bemidji = 9
- Winona = 44
- Minneapolis = 48*
- St. Paul = 42
- No Shows = 28

Totals = 218 (190 actual)

TOP 15 CAMP FUNDERS

1. Regenerative Medicine MN \$30,000
2. Otto Bremer \$15,000
3. Boston Scientific \$10,000
4. Ecumen \$7,800
5. Fairview \$7,200
6. Office of Higher Education \$4,965
7. WSU Foundation \$4,500
8. Allina \$4,000
9. Rasmussen College \$4,000
10. Regions \$4,000
11. Step-Up Achieve \$2,400
12. Mayo Foundation \$2,375
13. Care Providers \$2,000
14. Cedar Riverside Group \$1,720
15. Olson Family Aloha Fund \$1,600

Responsible Spending:

Noted below is how we spent the funding support from your grant award. Thank you!

Regenerative Medicine MN
Progress Report for HealthForce MN Scrubs Camps

Quantity	Item	Price each	Subtotal
16	HS Camp Scholarships	\$455 avg	\$7,280
16	MS Camp Scholarships	\$45	\$720
1	SimBus at WSU Camp (actual cost = \$1,800)	\$1,340	\$1,340
	33% ICR	\$660	\$660
Total			\$10,000

Thank you so much for this funding support! We are able to reach and inspire students thanks to supporters like you. Attached are summaries we created to share the work we are doing with stakeholders. If you have any questions or concerns, please don't hesitate to contact me.
